

LCHS Instrumental Music

9-12 Advanced Orchestra 2018-19

General Information

WELCOME TO ORCHESTRA!

It's going to be a fantastic year full of fun learning new music and playing great concerts with your friends! To be successful in Orchestra, please keep three things in mind:

1. Come to class, everyday, on-time, prepared to play!
2. Come with a great attitude!
3. Do your best!

The 9-12 Orchestra will meet every morning at 7:30 am (Zero Period). This will require that you come to class by 7:20, at the latest, so that you can be in your seat with instrument, music and pencil, ready to play at 7:30. Attendance at all performances is mandatory. We have many exciting and enjoyable performances throughout the year! Any questions about Orchestra can be directed to Mrs. Munday by email at jmunday@lcsd.net.

Donations and Rentals

Registration and Transportation donations are listed on the Orchestra Registration form. Donations for the Winter Retreat and Orchestra Tour to San Diego are listed, as well. These monies can be paid with Paypal or check. There are string instruments available for rental for \$200, a second instrument can be rented for an additional \$100. The rental fees are payable by check made payable to LCHS MPA when the instrument is picked up.

Auditions/Juries (finals)

Auditions/juries for seating will be held during the last three weeks of school of the prior school year. Please prepare a 2-3 octave scale and piece of your choice, according to the appropriate competency level, for the audition/jury. At this audition/jury, you are expected to play a more difficult scale and a different piece than you played at your previous seating audition/jury. There are four competency levels for each instrument, and I expect each member of the Orchestra to use these as goals to improve their playing throughout their time in Orchestra. At the end of the first semester, each Orchestra member will be required to play a scale, one level above your current competency level, for your jury. Each jury (final), both semesters, will be worth 100 points.

I reserve the right to re-seat people during the year, based on their performance, participation or attitude.

Music Parents

It is impossible for the music program to be successful without the support and help of the Music Parents. There are jobs for all levels of commitment and abilities, and we appreciate everyone who helps make the La Cañada High School Music Program successful. It is important to have Orchestra parent representation! Thank you for your help and support, we could not do it without you. Please contact me a jmunday@lcsd.net for information about the MPA (Music Parents Association).
